This "process" has been so frustrating. I was just at City hall bugging everyone about the CLA report and was told it would be released today. More to come...

Thanks.

I'm glad to see Price's office followed through on their commitment to give us a minimum two weeks to review before scheduling it for committee....

The ED Committee will be hearing this item next Tuesday, 10/27 at 1pm. The committee will take place at City Hall most likely in Council chambers.

The CLA report is in the works and I will send it out as soon as it is released.

Please let me know if you can attend and help spread the word!

Thank you, Marie
